Re: Congratulations on Election as CWB Chair

Dear Allen,

The Grain Growers of Canada, representing over 80,000 farmers through our membership organizations, wish to offer you our sincerest congratulations on your recent election to chair of the Canadian Wheat Board.

Your past experience on the Minister's Cooperative Advisory Committee and as Chairman of the Western Grains Research Foundation ensures you are very qualified to take on your new role.

While we have had our respectful disagreements in the past, we are confident that opportunities will continue to exist for us to work together, in particular to advocate market expansion for Canadian farmers.

The Grain Growers of Canada wish you the best of luck in your new position, and look forward to working with you to serve the needs of all farmers across the country.

Sincerely,

Doug Robertson
President
